

# The Delegates from Hell - Ethiopia

The Australian Oromo Community Association in Victoria would like to inform the Australian authorities and public that the current delegates from Ethiopia are not true representatives of the nations and nationalities in the Ethiopian Empire.

The members of the delegation from Oromia, Sidama, Wolayta, Gambella and Benishangul nations are not the representatives of their peoples, but the stooges of the Wayyaane regime of Ethiopian People Revolutionary Democratic Forces (EPRDF) that is ruling Ethiopia under the iron fist of Meles Zenawi.

## Meles Zenawi – The Mugabe of Ethiopia

Meles Zenawi, ranked No. 17 as the world's worst dictator is responsible for all of the following atrocities committed against mainly the Oromo people and other nations in Ethiopia over the last 2 years:

More than 50,000 Oromos are languishing in the Ethiopian prisons and Nazi-style concentration camps.

More than 100 Oromo refugees were massacred in Bossaso, Somalia by the Ethiopian troops stationed there.

The Killing Mountain (Gara Sufi massacre). More than 20 farmers including a 14 year old girl were killed.

The killing of Oromo refugees in Kenya by the agents of Meles Zenawi regime.

The killing of Oromo students in Ambo, Gimbi, Haramaya, Jimma, Hawasa for standing against atrocities against Oromos.

The Loqqe massacre of Sidama people during a peaceful rally.

The Gambella massacre of the Anuak people in the name of law and order.

The Finfine (aka Addis Ababa) massacre of innocent civilians for standing against the rigged election by Meles in 2005.

The wilful destruction of Oromia's forest.

The imprisonment of journalists and closure of independent media.

## State Sponsored Terrorism Against Oromia

The Oromos are the largest ethnic group in the Horn of Africa, and the single largest ethnic group in Ethiopia.

Nevertheless, the Oromo people have been denied political, social, economic and basic human rights under subsequent Ethiopian regimes that have ruled the country for a century.

The current regime led by Meles Zenawi is the worst in violating the basic rights of the Oromo people.
